Now, Tractors and Farm Equipments (TAFE) Limited., has come forward to provide **free rental services** of about 4,400 **Tractors** and other **Agricultural implements** of Massey Ferguson and Eicher tractors (approximately 10,500 in number as informed by TAFE) to Small and Marginal Farmers for the next 90 days in order to benefit the Farming Community.

As this service is intended only for Small and Marginal farmers who are in immediate need of Farm machineries and equipments, JDAs are requested to carry out the following activities
